

Job Title	Patient and Family Palliative Social Worker
Reporting to	Principal Lead of Psychological & Emotional Support
Senior Manager	Director of Clinical Services
Hours	22.5hrs per week
Salary	£36,000 - £40,000 Pro rata

Summary:

The Patient and Family Social Worker role at Harlington Hospice involves providing practical and emotional support to patients, relatives and carers at Harlington Hospice which address palliative care, end of life care, pre-bereavement and post bereavement needs. The role requires working in close partnership with the Harlington Hospice clinical teams and other organisations.

The post-holder will work within professional ethics and Harlington Hospice policies. They will receive monthly external clinical supervision in accordance with practice guidelines.

They will ensure the highest standards of safeguarding are maintained for individuals who are in contact with our services, by responding to all concerns in a timely and appropriate manner and escalating concerns in line with Harlington Hospice policies and procedures.

The Patient and Family Social Worker joins the existing Psychological & Emotional Support Services team which includes working alongside the adult counselling team and the Child & Adolescent Pre and Post Bereavement Creative Therapists. The post involves working flexibly into a broad range of settings including inpatient services, outpatient services, day centre and home settings.

Team values: Compassion, Inclusion, Adaptable, Collaborative, Integrity and Curiosity

Duties & Responsibilities:

1. To provide leadership and advocacy for social work theory, perspectives in practice as a member of the multi-disciplinary team [MDT] and wider stake holders in particular advocating, modelling and enabling people to realise the skills they have and acquire new skills and knowledge in order to return to and/or be empowered to live life on their own terms
2. To be a safeguarding champion across the activities of the Hospice and support the Director of Clinical Service and PES Principal Lead to assure full compliance within the organisation is maintained in regard to safeguarding & mental capacity processes.
3. To take referrals from the MDT and complete assessments with particular attention to the duties in The Health and Social Care Act 2012 and The Care Act 2014. This will include addressing personal, social, emotional, practical and financial aspects of the individual's circumstance.
4. To provide advice/ assessment, education and support to patients and their relatives, friends and carers to achieve a shared plan of care and support and an agreed process for monitoring, review and completion.

5. Liaise between the Hospice, Local Authority, Primary Care Trusts and other palliative community services for the benefit of patients, carers and relatives
6. To support the Director of Clinical Service and PES Principal Lead ensuring that Harlington Hospice retains up to date and appropriate social care policies, monitoring, evaluation and assessment systems.
7. To have experience in the use of Microsoft, excel and to be able to use electronic patient records.
8. To take a lead role in mental capacity assessments and casework and Deprivation of Liberty (DoLs) duties.
9. Maintain and demonstrate current knowledge of social care policy and legislation concerning adults and children and ensure these perspectives contribute to the work of the hospice in delivering care and support.
10. Support the department and Harlington Hospice charity strategy, and identify opportunities and challenges for service development. Including advising the wider organisation on policy development in the area of social care, safeguarding & mental capacity.
11. To be able to work hours flexibly to match service needs.
12. Deliver and maintain professional relationships with individuals and partner organisations.
13. To develop, implement and analyse the PES service evaluations and outcome measures. Using outcomes to recommend service improvements.
14. Work with the wider multi-disciplinary team in the development of new services at Harlington Hospice.
15. Prepare accurate records and reporting in line with the Data Protection Act and Harlington Hospice policies.
16. To update service guidelines, policies, booklets and leaflets as required.
17. Support the Director of Clinical Service and PES Principal Lead and recruitment and induction of new employees as required.
18. Participate fully, and play an active role, in supervision and team meetings and annual appraisal.
19. Review effectiveness of own work and make recommendations to improve/change service provided.
20. Complete assessment, risk registers, and subsequent administrative follow up as appropriate.
21. When handling personally identifiable and sensitive information ensure your conduct is consistent with the requirements of the legislative, and regulatory frameworks for information and information governance, whether that be in hard or soft copy or digital formats
22. Keep up to date of key changes in policy, legislation and governance requirements relevant to the role and the Charity.
23. Act as a role model promoting the values of the Charity in accordance with the post holders professional Code of Practice.
